

God's heart is for all people...

phase 2 | alaso is ministry of ywam, tyler

where are the people?

Ministering to the people of Reynosa, Mexico last summer was life changing for many of you. But now it's time to step it up a notch! It's time for Phase 2. But why just go to one country? Why not go to every country?

As missionaries we want to go into all the world and preach the Good News, and God is making it easier for us. For decades people have been migrating from the countryside to the city. Today's world is full of cities of over one million people. Some cities have even grown into mega-cities with more than 10 million people. The inner cities of America are filled with multi-cultural people groups that have immigrated from all over the world. God is bringing the people to us! Will you join us as we go to minister to "all the world" in the great city of Chicago?

In Phase 2 you will experience cross-cultural ministry in this ethnically diverse city. Chicago is the third largest city in America with over 2.9 million people and 200 ethnic groups. In a city that attracts 60,000 new immigrants every year, 1 in 7 residents is foreign-born and up to 110 native languages are spoken in some public high schools.

GOING TO CHICAGO IS ALMOST LIKE GOING TO 200 COUNTRIES IN ONE WEEK!

Although still physically in the United States, you will be impacting the nations by ministering to many of Chicago's different people groups, all with various religious, ethnic, and economic backgrounds. We will be involved in some very challenging and rewarding ministry working on housing projects (fixing up some low-income housing), feeding the homeless, doing open air evangelism, and conducting religious/ethnic surveys on the streets. You will learn what other religions believe by visiting an Islamic mosque and a Hindu temple, and how to explain the gospel in a way people from other religions can understand. Chicago is the perfect place to challenge you in ministry and in your personal relationship with God.

Phase 2 will challenge you to go deeper with the Lord more than ever before. It will make you step out in ministry in different ways than in your first SST and give you a whole new outlook on the world around you. Before going on outreach you will continue the training from your first SST on Evangelism, Missions, and Godly Worldview at our YWAM Tyler campus. We'll go further in equipping you to win your friends, family, and fellow students to Christ. This is gonna be the best summer you've ever had!
