So what is your part in the revolution?

We're really looking forward to this summer and believe that it will be the most radical SST experience so far. Phase 3 will challenge you to step out in different ways than previous years, and give you a whole new way to look at the world around you.

You've spent the last two summers in Reynosa and Chicago with the purpose of loving the lost and sharing the hope we have in Jesus. We live in a world that is dying without Jesus and you have experienced that you really can make a difference.

SST WOULD LIKE TO OFFICIALLY INVITE YOU TO THE NEXT STEP...PHASE 3!

TRAINING » Your staff and leaders will be waiting for you when you arrive, ready to run alongside you during this journey. One of the many things that Phase 3 focuses on is how a person can influence a society, in positive and negative ways, through the seven different areas that make it what it is. These areas are Family, Church, Government, Education, Business, Media, and Arts and Entertainment. Revolution will come when revival Christians are launched into each one of these areas with God's heart to transform the "Seven Spheres of Influence." Phase 3 will help you understand how your giftings fit into the seven spheres through practical application in the outreach phase.

...ON TO GUADALAJARA, MEXICO!

OUTREACH » Phase 3 will be leaving the cozy confines of YWAM Tyler and going to the city of Guadalajara, located in the breathtaking mountains of

7 spheres of influence

central Mexico. Using the practical lessons learned during training we will reach out to people, being Jesus' hands and feet. According to local missionaries, the area we will be ministering in is only 3% evangelized. We hope to take the gospel to those who have never heard as well as incorporate many new and exciting ministry opportunities.

So what is your part in the revolution? Come to Phase 3 and learn not only about your giftings and the calling God has on your life, but about how you can affect the world around you.

In Phase 3 you will be given more freedom to shape the face of outreach than ever before. We believe that prayer will be the rudder that guides our Phase 3 battleship!

What will Phase 3 look like?
The choice is yours.
